## Building Blocks of Pupil Premium Success (NFER, 2015)

|  | What does this look like? | What difference does it make? | How do we know? | What needs to happen now? |
|--|---------------------------|-------------------------------|-----------------|---------------------------|
| Whole school ethos of attainment for all |                           |                               |                 |                           |
| Clear responsive leadership              |                           |                               |                 |                           |
| High quality teaching for all            |                           |                               |                 |                           |
| Meeting individual learning needs        |                           |                               |                 |                           |
| Deploying staff effectively              |                           |                               |                 |                           |
| Data-driven and responding to evidence   |                           |                               |                 |                           |
| Addressing behaviour and attendance      |                           |                               |                 |                           |
